Juanito Magbanua started the month of May in the hospital with pneumonia in both lungs. Fortunately, he is doing much better and has been able to resume his ministry work. Thanks to some generous gifts, CALM Philippines USA was able to pay his medical bills.

Juanito traveled to the Belison Church of Christ in the Antique province to preach on May 12. He baptized two people following the service. He conducted a Bible study at the Taft North Church of Christ on Saturday, May 25. Three young people accepted the Lord and were baptized.

CALM Philippines conducted a medical mission in Roxas City on May 18. It was held at the Barangay X municipal building. This was a great opportunity for CALM and the Roxas City Church of Christ to partner with the local officials and the Barangay health workers. This was the first time that this has been possible to reach out into the community like this. 112 patients ranging in age from 9 months to 85 years old were served by 29 staff and volunteers and 45 children shared in a meal and a Bible story.
