**Medical Mission**

CALM Philippines conducted a medical mission at the Taft North Church of Christ on August 18. Eighteen volunteers provided medical services to 78 people. Meals were provided for 35 children.

## Juanito Magbanua's Activities

Juanito held a leadership meeting at the Tapaz Church of Christ. He traveled to Manila and Cebu to obtain textbooks for the Iloilo Bible Seminary. He spoke at the churches at Aglalana, Jolog, and Balasan and conducted a funeral. Juanito continues to provide guidance and mentoring to the churches CALM supports.

## Help Still Needed

The Taft North Church of Christ's (Juanito's home church) meeting place needs some major repairs. The roof is rotting and needs to be replaced. The building was designed to be a two-story structure with the first floor to be used for classrooms and the second floor for the sanctuary. The first floor was constructed with a temporary roof that has outlived its useful life. The congregation would like to complete the original two-story design, but at a minimum, must replace the roof covering the first floor. A preliminary estimate for just repairing the roof would be about \$5,500 for materials; completing the second story would be about \$24,000

for materials. The congregation has a little money saved but not enough for even the minimum repairs. Any gift to meet this need would be greatly appreciated. If you would like to help them, you may direct your gift through CALM Philippines; just make a note “for church repairs” in the memo line on your check or note in the comments if you’re giving online.
