Belison Church of Christ

The Belison Church of Christ, the only Restoration Movement church in the Antique Province, is located on the southwestern shore of Panay Island. About 25 people have been meeting in a small house for several years, but they have outgrown their worship space and are still growing. The congregation owns property and has dreamed of building a place to worship but has never had the needed funds.

They have decided to clear the land and break ground for the building project. They plan to build a 26 ft. X 33 ft. concrete building to serve as a permanent church where 100 to 120 people can worship. The total cost is expected to be about 650,000 pesos (\$14,000). They are providing the labor, praying God will supply money for the materials, and will build as it becomes available.

Juanito spoke at the Tigayon Church of Christ in Kalibo on January 11. Three people accepted Jesus as Lord following the service and were baptized later that week. He spoke at Belison on January 18 and four people were baptized after the service.

Panay Christian Convention

Juanito and other leaders of the CALM Philippines churches are busy planning for this event on April 9-12.
