

CALM PHILIPPINES USA NEWSLETTER
Caring And Loving Mission
July 31, 2026

As reported in the June newsletter, Juanito and Nenette Magbanua traveled to Austria on June 22 to visit their son, Jet, and his family. They plan to return to the Philippines at the end of August.

Unfortunately, Juanito became ill a couple weeks after their arrival. He was experiencing dizziness and weakness on his left side and was taken to the hospital for what looked like a mild stroke. Testing showed that he did not have a stroke and his symptoms were temporary. After several days in the hospital and a battery of tests he was released with new medication to control his blood pressure and is doing well. He has been able to resume travel around Europe. Nenette, who is being treated for breast cancer, is also doing well.

Although on vacation, Juanito has continued to minister and preach the gospel. Prior to his medical issues, he continued to preach in the Philippines via an online connection. Since his release from the hospital, he conducted an impromptu worship service in the office of old friends from the Philippines.

Meanwhile, their son, Mike, has filled in for Juanito's ministry duties and administration of the Iloilo Bible Seminary.
